THE PLACES YOU'LL GO

“And it came to pass, when Pharaoh had let the people go, that God led them not through the way of the Land of the Philistines although that was near, for God said, lest peradventure the people repent when they see war and they return to Egypt.” Exodus 13:17

David was a farm boy. He kept the sheep for his father Jesse. While doing the task his father had assigned him he developed a relationship with God. He wrote beautiful songs of worship. I wonder how he felt when he was called before the Prophet Samuel and anointed. Soon he was playing for the King at Saul's court and winning a great battle over Goliath. His path to his destiny seemed to be lined with soft rose petals. The prick of thorns hovered near however. The victim of Saul's jealousy he spent years on the run. He agonized over the path he was on but the way God led developed in him all the character traits he would need to be King and live in a palace.

For Nehemiah the opposite scenario played out. Living in the magnificent palace that was called Shushan he was the confidant of the most powerful King of his day. His call from God that led him to rebuild the burned walls of Jerusalem required him to leave behind the palace and all its comforts for a far more stark environment. The way God led him prepared him to make the right choice. I don't know where you are right now or the questions you have about the way God is leading you but I know this. You can trust Him. He will get you where you need to be as you continue to follow Him. You will be prepared because of the way He has led you.

GHANA, WEST AFRICA

OPEN DOOR OUTREACH MINISTRIES
CHURCH IN NSOATRE, GHANA

As we send this newsletter out Pastor Isaac Yeboah is in Ghana putting a roof on the church pictured to the left. It is located in Nsoatre, Ghana in a poor area and will be a great blessing to the people. Thanks to all of you who assisted in this work. We are planning to build more churches in underserved areas. Would you pray about partnering with us in this endeavor to enlarge the Kingdom of God? We also fund a radio broadcast into a heavily Muslim area of Ghana. What a blessing it would be if someone with a burden for Muslims sponsored this broadcast. Please contact us if God speaks to you to help.

HELPING THE HELPLESS IN HAITI

Sis. Doris Pressley at the orphanage in Haiti.

The Pressley's were in Haiti March 7-16. They reported a mighty move of God's Spirit. While there 101 people were baptized. Praise the Lord!! The orphanage has been repaired and painted. Because of the help of our friends we have been able to buy 12 mattresses for the children. We want to buy more. We also want to continue to help buying food and other necessities for these precious ones that Jesus loves. Will you pray about helping us with a love gift. No amount is too small or large. God bless you for your prayerful support.
