COURSE LAYOUT

Each unit consists of unit and lesson introductions, teacher outline, reading assignments and exams for each lesson. Questions come from the information contained in the unit and lesson introductions and from the assigned reading. The course may be taken online or the lessons can be mailed to your home and the answer sheets returned to us for grading. This course operates through the offerings of our students and supporters.

Suggested offering for entire course: Online students $50.00
Mail students $100.00
